Let's go to Mt. Iwaki!

大雪が降った日、雪かきが大変とみんながゆううつな中、アメリカからの留学生エリックとツヨシはなんだかうれしそう。なぜなのでしょう？

Eric : Hey, look! It snowed a lot.

Tsuyoshi : Yes, it did. I'm really happy.

Eric : Why?

Tsuyoshi : Because we can go snowboarding.

Eric : You're right. I have been waiting for this time since last summer.

Tsuyoshi : Really?

Eric : You told me about snowboarding so many times.

Tsuyoshi : Let's go snowboarding together.

Eric : Yes, let's. When?

Tsuyoshi : Let's see... How about after school?

Eric : After school? You mean today?

Tsuyoshi : Why not?

Eric : Can we?

Tsuyoshi : Of course. It takes about 40 minutes to the Hyakuzawa ski resort in Mt. Iwaki.

Eric : Amazing. When I was in the U.S., I went to the Rocky Mountains to snowboard with my family. It took more than 40 hours to get there. I am happy I can enjoy skiing and snowboarding near my house.

Tsuyoshi : That's tough. You get tired before you snowboard.

Eric : That's true.

Tsuyoshi : Snowboarding at night time is really beautiful. The lights shine in the snow so colorfully.

Eric : It sounds exciting. I can't wait.

Tsuyoshi : OK. My father and I will come to your house at five.

Eric : Then we should go home soon after classes.

Tsuyoshi : Oh, don't forget to prepare to go to the hot spring. We can get a discount ticket for Hyakuzawa hot springs. Going to the hot springs after snowboarding is so wonderful.

Eric : Gosh! I can't wait. I really hope Mr. Sato finishes this boring English class soon.

Tsuyoshi : I hope so too.

Mr. Sato : Hey, you two, what are you taking about in my class?

Eric&Tsu : Nothing, sir.
